

Valley Bible Academy School Supply Information and Checklist 2022-2022

The student supplies listed will be used throughout the school year. Please purchase these items and have your child bring the supplies with him/her on the first day of school. All items should be marked individually. Please also remember that your child's school supplies will get used up during the year, consequently, some of the items on this list will need to be replenished.

Please note that the students have a limited amount of space in their desks. Buying larger quantities of items or extra student supplies only limits the amount of space your child has and very often leads to disorganization. Please keep all play items and toys at home, unless requested by your child's teacher.

***See reverse side for School Supply Checklist.**

VALLEY BIBLE ACADEMY SUPPLY CHECK LIST 2022-2023
